RULES AND REGULATIONS:

1. All exhibitors must comply with the following CCIA (Canadian Cattle Identification Agency) Regulation 183(2) Subject to section (6), an animal may be removed from its farm or origin, without having an approved tag applied to it, to a community pasture, exhibition site, test station or veterinary clinic as per the Compliance and Enforcement Strategy. Animals that are being transported from their farm of origin to an approved community pasture, exhibition site, test station or to a veterinary clinic are also exempt from the requirements that they bear an approved tag. These animals may be transported back to their farm of origin from these sites without bearing an approved tag. The rationale for this exemption is that the animals are returning to their farm of origin. However, if an animal is not being returned to its farm of origin, it must be tagged before it leaves that site or it may be shipped to an approved tagging site for tagging. It is important to emphasize that these few exemptions apply only to cattle and bison that have not yet permanently left their farm of origin. The focus of enforcement activities shall be directed at the owner of the animal at the time of the violation. Note: CCIA tags must not be removed from a live animal (subject to a \$4000 fine)
2. **Animal Registration:** All entries must be registered in the name of the exhibitor in accordance with the by-laws of their respective association. The certificate of registration must state that the animal is purebred or at least 75% of purebred inheritance. All entries must be legibly tattooed (if applicable)
3. **Exhibitor:** An exhibitor is any breeder or firm, which presents animals for official placing by a judge at the time specified by the fair for judging.
4. Entries must be forwarded to the Secretary-Treasurer, Binbrook Agricultural Society, Box 244, Binbrook, Ontario L0R 1C0 by Friday September 8th, 2017.
5. **Performance Requirements:** At the request of the joint Dairy Breeds Committee: the 125 B.C.A. the performance entry requirement has been removed. All exhibitors must post official performance data for each animal at their stall in the livestock barn.

6. The number of entries from a breeding unit has been increased from 10 to 12 exhibits to allow 4-H calves to be shown by 4-H members in open classes. Such additional entries will not be eligible to compete in the Breeder's Herd class.
